

National Association of State Departments of Agriculture

Subject of Policy Amendment II:

Change the federal definition of “Hemp”

Section Number or Title to be Amended:

11.8 New Uses of Agricultural Products

Submitted by:

Secretary Anson Tebbetts (VT)

Text of Policy Amendment:

11.8 New Uses of Agricultural Products
(Updated February 2020)

NASDA supports an amendment to the definition of hemp in the 7 U.S.C. chapter 38, Hemp Production, Section 1639o (1) to say:

The term “hemp” means the plant *Cannabis sativa* L. and any part of that plant, including the seeds thereof and all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers, whether growing or not, with a total tetrahydrocannabinol concentration of not more than one (1) percent on a dry weight basis.

Adopted:

February 25, 2021
